The publishing house EUROSTAV s.r.o. is a specialized publishing house of periodical and non-periodical publications in the fields of construction, architecture and living. The main aim and ambition of the publishing house EUROSTAV is the distribution of information by means of publications from the fields of construction, architecture and living among expert and lay public.

We had been looking for a reliable supplier of personal services for a long time. In search for a suitable candidate for a sales position we changed several personal agencies, but we had never obtained the desired result.

Finally we contacted also the company PRAMA s.r.o.

PRAMA s.r.o. has found a suitable candidate for the offered position who works with our company till now and we are very satisfied with her results.

The company PRAMA s.r.o. has spared a lot of our time because they have correctly understood our needs and have made a professional pre-selection of the suitable candidates.

The employees of the company PRAMA s.r.o. can expertly judge the personal profile of candidates which we appreciate very much because this forms a fundamental prerequisite for a long-time successful cooperation based on the needs of the employer and the expectations of the employee.

The company PRAMA s.r.o. is interested in our satisfaction with the recommended candidate also after the conclusion of the selection process, even after the conclusion of the candidate testing period and we appreciate this special care for their clients.

On the basis of our own experience we recommend the company PRAMA s.r.o. as the supplier of personal services.
